

BUSINESS TIP 0013

STOP LOOKING FOR A JOB - PROVIDE JOBS INSTEAD!

If you have an idea that could provide meaningful employment to up to 30 people, you could be funded (without debt!) to start a business!

- 1) Join the Internet Catalogue Club - \$25 cost.
- 2) Develop a business plan and determine the amount that you need to put your business into operation, including salaries for one year for an initial team of up to 30 people.
- 3) Obtain a Mortgage Busting Team Membership equal in value to 1% of the 'startup cost'; if you cannot afford this, a work payment program may be arranged.
- 4) Arrange for a MBTM Corporate Member to execute a Purchase Order, pre-paying delivery of products/services from your business - providing full 'startup cost' as profit.
